

Social Events

Even though we have lots of practices and competitions, we love to spend time as a team together outside the rowing world. Our planned social events for the fall, besides squad hangouts, include Friendsgiving and Crew Christmas.

Row For Dough

Row for Dough is the biggest fundraiser we do that takes place every Fall semester. The team will go out to the lake after regatta season has ended and row for one hour. We have donors who have pledged a certain amount of money to a specific squad or rower based on how many kilometers are rowed in that one hour. This semester we earned over \$3,000! This money will go towards our equipment and team members.

Equipment Updates

This semester we had our Open Men's 4+ boat fixed up and it has now been safely returned to our boatyard looking brand new! On top of having Reville fixed, we also had the ribs reinforced in our Novice Men's 4+ boat, Lytle, by Sarah McQuaid. Also, a large thank you to Kristen Grimm and a few more team members for sanding and repainting our ours! They look so beautiful and shiny!

Our next goal is to get a new launch trailer and a shade cover for the boats to relax away from the pesky sun!

Thank you Katie Mulkay for being an amazing equipment manager and implementing a new system for our equipment. Welcome to our two new equipment managers David Healey and Matthew Parsells.

Looking Forward to Next Season

As this season ends and the Spring season Starts up, we would like to thank our coaches and officers for the countless hours and hard work that they voluntarily give to our team.

We would like to take a moment to recognize some of our team members that have graduated and are leaving us. Good luck and we hope to see you again for Alumni Duel!

Thank you to all the families and friends that housed us and fed us throughout our competitive season. We could not travel and do what we do without your generosity.
